

GRANDPARENTING/ PARENTING IN 2022

ABOUT THIS CLASS

Calling ALL parents and grandparents! So often grandparents find themselves caretaking for their grandkids (and what a privilege!). Whether it's an hour "here or there" or caretaking on a regular basis—grandparents often wonder and sometimes struggle in how they can support parents of this generation!

Let's come together and have a conversation with Dana Parisis, Certified Parent Coach and Certified Educational Trainer.

Refreshments will be served!
