 - Eau Claire - The SACC School's Out programming WILL be available at the Eau Claire YMCA and the YMCA Sports Center.
 - Chippewa Falls - The SACC School's Out programming WILL be available at the Chippewa Falls YMCA.

YMCA Programs, Offering, & Facility Status

All YMCA of the Chippewa Valley facilities will make decisions on programming, offerings, and facility status independently in the case of weather event. Please check our association website at www.ymca-cv.org for facility updates. Each facility will update their Facebook pages with the status of programs and offerings. Please check these platforms for updates before, during, and after an inclement weather situation.

In the absence of an announcement, all hours, programs, and offerings will be unaffected.

In some rare cases it may be decided that YMCA facilities will close altogether. In those cases, everything is cancelled, including private instruction, and full-time childcare.

Refunds, credits, and make up classes will not be offered because of inclement weather cancellations.
