

WHAT IF

YOUNG PEOPLE RAN THE GOVERNMENT?

AT YMCA YOUTH IN GOVERNMENT, THEY DO.

WHAT IS YOUTH IN GOVERNMENT?

Youth in Government (YIG) is a hands-on civic learning program where students in grades 7-12 become state legislators, lawyers, justices, the media, or cabinet members and spend three days running a model government in the Wisconsin State Capitol.

YIG starts in the fall when students join or form a delegation at their school or YMCA. Delegations meet regularly to prepare for their program areas, learn about state government, and practice their writing and presentation skills. In early March, student delegates from across the state gather in Madison for the annual YIG conference, where they elect their own leaders, debate their own ideas, and build a vision for a stronger state.

Young people in YIG aren't spectators; they are leaders, organizers, speakers, and decision makers. When needed, YMCA staff members, teachers, YIG alumni, and trained volunteers are present to guide from the side and provide support.

But it's not all work. The conference includes two nights at the beautiful Best Western Premier Park Hotel, the chance to explore a variety of food options along State Street, and fun evening activities including games and crafts, trivia, bingo, karaoke, and a talent show.

WHAT PROGRAM AREAS CAN I CHOOSE FROM?

LEGISLATURE: State senators (11th and 12th grade) and representatives (8th, 9th and 10th grade) prepare bills on issues of their choosing, participate in committee hearings and floor debates, and vote on which bills should become law.

COURTS: Judicial delegates (10th, 11th, and 12th grade) play the dual roles of lawyer and justice. Each student prepares a legal brief and argues their assigned side of a case, plus has an opportunity to serve on the bench and rule on cases.

MEDIA: Members of the media (10th, 11th, and 12th grade) research, report and write as a team to produce a daily newspaper, news releases, and broadcasts using both print and digital formats.

LEADERSHIP CORPS: Delegates (7th grade) work in small groups to create bills, argue court cases, write media articles, and gain exposure to all YIG program areas.
