

# UNCORKING THE POSSIBILITIES

## YMCA WINE TASTING KIT

YMCA OF THE CHIPPEWA VALLEY

### SPONSORED BY TRUBILT COLLISION CENTER

As with most things this year, our wine event is going to look different than it has in years past but don't worry, different is good! William the Wine Guy has curated a selection of fine wines from Sonoma County that you're sure to love. **Each kit includes three bottles of wine, tasting notes, and a wine themed-gift from Trubilt Collision Center.**

#### How it works:

1. Place your wine tasting kit order by August 26.
2. Wine kits will be ready for pick up on August 29.
3. Place your order for additional bottles of these wines by September 23.
4. Wines will be ready for pick up on September 25.

### ALL PROCEEDS BENEFIT THE YMCA OF THE CHIPPEWA VALLEY

*"Hello wine lovers! Trubilt is excited to provide you with a fun wine tasting experience and continue to support the fundraising efforts for the YMCA during this difficult year. As always, we know William the Wine Guy's picks will not disappoint! Enjoy a tasting kit (or two!) with your significant other, a group of good friends or even alone in your closet... We won't judge! We look forward to seeing you all again soon, but in the meantime... CHEERS!"*
