## YMCA OF THE CHIPPEWA VALLEY

## YMCA GUIDE FOR PROGRAMS AND MEMBER SAFETY CHANGES EFFECTIVE – October 21, 2020

Y Members, we love having our Y Family back in our buildings. To keep our members safe and protected, the Y is following guidelines from the CDC, Wisconsin Economic Development Council (WEDC) and County Health Departments. Exercise is a proven immunity-booster and, as a part of a healthy lifestyle, is vital to overall health and well-being. Additionally, we understand the mental and emotional dangers of social isolation. The Y aims to help members meet their physical, social, and emotional needs in a safe and healthy environment. Guidelines for reopening will be as follows:

### Membership

- **PERSONAL TRAINING:** Individual, partner and small group personal training will now be offered. We will also be offering personal training virtually if you are not yet ready to come back to the YMCA. Please contact Matt Dresser at [mdresser@ymca-cv.org](mailto:mdresser@ymca-cv.org) to begin or continue your personal training journey at the YMCA.
- **POOL USAGE:**
  - **POOL ACTIVITIES:** Individual open/lap swim and family/group swim time is available. Family/group swim time is limited to 6 individuals who are either in the same household or have arrived together as a group. There is a lane time limit of 1 hour per member per visit. Many restrictions are in place for your safety so please read the following bullet points carefully.
  - **POOL RESERVATIONS:** We strongly encourage lanes be reserved in advance because space is limited. Any unreserved lanes can be reserved in person at the Member Service Desk. Lane usage time begins at the top of the hour during designated open/lap lane swim times. Reservations can be made online by clicking here. During family/group swim, lanes are designated for this purpose. If a zone is not reserved during this designated time, a member wishing to use the lane for lap/open swim may do so on a first come, first serve basis. These zones cannot be reserved in advance for lap/open swim during family/group

swim times. Members wishing to do use open lanes need to reserve them at the Member Service Desk.

- **POOL AGE REQUIREMENTS:** Members must be **12 years of age and older** to use open/lap swim time. During family/group swim time, parent/guardians must be present to supervise youth ages 11 and under. For children 7 years and younger, the parent/guardian must accompany the child in the water. Ages 8-11, the supervising adult can either sit in a chair in the pool area or can be in the water with the children.
- **OTHER POOL REQUIREMENTS:** For designated family/group swim time, the family or group (limited to up to 6 individuals) must come into the Y and into the pool together, and swim and/or play in the designated family/group swim zone. Proper social distancing is needed after leaving the pool. Showers are now available but please remember to social distance, wear shower shoes and bring your own towel. Only reserved lockers are available at Chippewa Falls and Eau Claire. Please arrive at the YMCA dressed for swimming to limit the use of locker rooms.
- **GROUP EXERCISE AND FITNESS CLASSES:** In-person classes are offered on a limited basis, but more and more classes are being added to the schedule! Please view class schedules on our [website](#), social media sites and the YMCA app. Classes will be held in a gym or large studio. Please check your branch group exercise schedule to see where class will be held. **The number of individuals who can participate in indoor classes is limited and spots will need to be reserved. If additional spots are available, they will be offered on a first come, first serve basis.** Classes outdoors will not be limited but participants must adhere to distancing requirements. If weather does not permit, outdoor classes will be cancelled. WEDC guidelines state that COVID-19 is not spread through sweat. Items touched will be regularly disinfected because respiratory droplets can settle on them. If you are not ready to take classes at the Y, you can still participate in your favorite classes via a mobile device anytime, anywhere! Our [NEW FACEBOOK GROUP \(CLICK HERE\)](#) gives you 24-hour access to fitness classes taught by our instructors!
